

1992 U.S. Congressional Districts with 2000 Population

Source of Data
 Congressional District lines were produced by the Joint Legislative Committee on Congressional Reapportionment. Congressional population totals were derived from the U.S. Dept. of Commerce, Bureau of Census 2000 P.L. 94-171 Population File. County boundary data were taken from the U.S. Dept. of Commerce, Bureau of the Census TIGER files.
