

MS Updated City Limits May 2026

Tags boundaries, city limits

Summary

This dataset is a compilation of the boundaries of updated city limits that were NOT included in the 2020 US Census TIGER files.

It is gathered from firms involved in the annexes/incorporation and county governments.

Last annex is March 2026. Updated May 2026 by MARIS

Description

This dataset is a compilation of the boundaries of updated city limits that were NOT included in the 2020 US Census TIGER files. This includes annexes to existing incorporated cities

as well as new incorporations. These are from several sources listed below. This will be an ongoing effort to keep this dataset updated.. Last annex is March 13, 2026.
