Natchez	64.0	May 21

Disclaimer: This map has been compiled using the best information available and is believed to be accurate; however, its preparation required many assumptions. Actual conditions during a flood event may vary from those assumed, so the accuracy cannot be guaranteed. The limits of flooding shown should only be used as a guideline for emergency planning and response actions. Actual areas inundated will depend on specific flooding conditions and may differ from the areas shown on the map.

Note: Inundated areas generated by US Army Corps of Engineers - Vicksburg and Memphis Districts on May 9, 2011. Base data is from MS 811 and MARIS.

Map prepared by MARIS : 5/12/2011
