Summary

Mississippi Truck Drving Schools - 2023.

Description

Mississippi Truck Driving Schools - 2023. This dataset is composed of any type of Post Secondary Education facility such as: colleges, universities, technical schools, or trade schools that provide training and certification in the field of professional truck driving. Th original data layer was from HIFLD Open 2007.

In August 2023, MARIS staff edited this layer using addresses from Truck Drving Schools Info - <https://truckdrivingschoolsinfo.com/cdl-training/truck-driving-schools-in-mississippi/> (and KLLM via location on their web site).

Points were added by viewing Google Street Maps while using the MDOT December 2022 LRM MARIS Map service as a background layer to fine-tune the appropriate point location.
