RE: Mississippi Gulf Coast Imagery

Steve:

Please find enclosed a portable hard-drive containing the following data from imagery collection efforts along the Mississippi Gulf Coast as discussed per conference call February 1, 2011:

1. Near Infrared (NIR)
2. Red/Green/Blue (RGB)
3. Shapefile of flight line index

We are available as necessary to discuss further the details of this activity. We appreciate the opportunity to be of service to MDEQ.

  
Jimmy Bradley
