

The seal of the Standing Joint Legislative Committee on Transportation is a circular emblem. It features a central eight-pointed compass star. Within the star is a smaller circle containing the Great Seal of the State of New York, which depicts an eagle with a shield on its chest, holding an olive branch and arrows, with a constellation of stars above its head. The words "SEAL OF THE STATE OF NEW YORK" are inscribed around the perimeter of this inner circle. The outer ring of the seal contains the text "STANDING JOINT LEGISLATIVE COMMITTEE ON TRANSPORTATION" in a circular arrangement.
