Mississippi House of Representatives Districts 2003

With U. S. Congressional Districts

Source of Data
Mississippi House districts were developed by the Mississippi Legislature. U.S. Congressional District boundaries were developed by the U. S. District Courts. County boundaries and 2000 municipal corporate limits were taken from the U.S. Dept. of Commerce, Bureau of the Census 'post census' TIGER files.

Map Prepared By MARIS -- February 2003.
