Description

MS Public Libraries - as of 2021 as specified by the MS Library Commission. This does NOT contain military, University or Community College library facilities.

This data was refined by MARIS staff July 2023 by combining the 2021 "Mississippi's Public Library Systems and Branches" list from the MS Library Commission and selected data from the 2023 edition of the Homeland Infrastructure Foundation-Level Data (HIFLD) from the Department of Homeland Security. Data was edited for content and completeness using the the MS Library Commission. information

<https://www.mlc.lib.ms.us/mississippi-libraries-directory/mississippi-public-library-directory/>

Location information was further refined using Google Maps for a more accurate position. MARIS added attributes for Library Region, Library System, and Library System contact information from the above mentioned list.

This layer will be updated on request.
